

WELCOME TO TERRA UNO'S REFERRAL PROGRAM

1. OVERVIEW OF THE REFERRAL PROGRAM

- 1.1 Our referral program is open to all persons who refer potential buyers to us, for which they must be registered in the program.
- 1.2 The referral fee is reserved for those contacts registered in the program, who have referred a potential prospect to us that have closed a sale with us.
- 1.3 In the referral program:
 - a) "Referral" is person who is referred to us by a contact as a potential prospect.
 - b) "Contact" is the person who refers and registers a potential prospect.
 - c) "Closed sale" means a sale where the referral has signed a sales contract and has paid at least 35% of the sales price.

2 REFERRAL FEE FOR REFERRAL IN A SALE

- 2.1 The contact will be compensated in exchange for the reference of a potential prospect, when he or she becomes a new buyer and concludes a closed sale.
- 2.2 When a closed sale to a buyer was produced through the referral program, we will pay as a lump sum:

1% of the sales value as commission per referral to the contact who refers a potential registered prospect to us, upon receipt of a valid invoice from that contact.

3 REFERRAL PROCESS

- 3.1 Any contact who wants to be a part of the referral program must register completely through the website as **new contact** in order to qualify for a commission payment when a sale is closed as a new contact. Terra Uno will confirm the registration to the contact indicating the corresponding **registration number**.
- 3.2 Each referral must be registered with complete data in the referral program as **new referral**, and may be registered directly by the registered contact through the website or by the internal advisor when the referral data has been provided to him/her by telephone. **Adding the contact number is required.** Terra Uno will confirm the registration to the contact indicating the corresponding **registration number** and the referral will be contacted by the internal advisor of Terra Uno and will start the sales process in the positive case of a potential prospect.
